Weight GSM: 3.69 oz/sqyd (125 GR/SQM)
Shrinkage: +/-5%
Care instructions: 100% cotton, Machine wash cold, Non-Chlorine bleach, Tumble Dry

METALLIC COTTON PRINTS

Care instructions: Wash by hand and hang to dry or machine wash on delicate. Do not let fabric sit in water or in a wet machine for an extended amount of time. When ironing, please use a press cloth using medium temperature. **WARNING** Metallic is weak in water and will get rusty or tarnish if you leave it wet. Some ingredients that are contained in fragrances, body oil, and hair products also affect the metallic prints. To avoid the above bad effects please make sure to dry using a towel. Hydrogen peroxide bleach chemically reacts with the metallic prints and makes the cotton burn.

Do not let fabrics soak in water or sit wet in the machine for extended amounts of time.

108" QUILTBACK T-200

100% Cotton
Width: 108"
Weight GSM: 3.30 oz/sqyd(112GR/SQM)
Shrinkage: +/-5%
