

JELLY CABIN Fever

Quilt Layout Option

Featuring the Log Cabin Quilt Block Foundation Paper Piecing tutorial from the Fat Quarter Shop Livestream on October 11, 2019. With 16 Log Cabin quilt blocks, you can make the Jelly Cabin Fever Quilt.

Requirements:

1 print Jelly Roll
1 solid Jelly Roll
5/8 yard binding (or 6 Jelly Roll strips for scrappy look)
3 1/4 yards backing
12" Log Cabin Quilt Block Foundation Paper Pad

Cutting & Placement:

Refer to the paper pad instructions for placement cutting sizes.

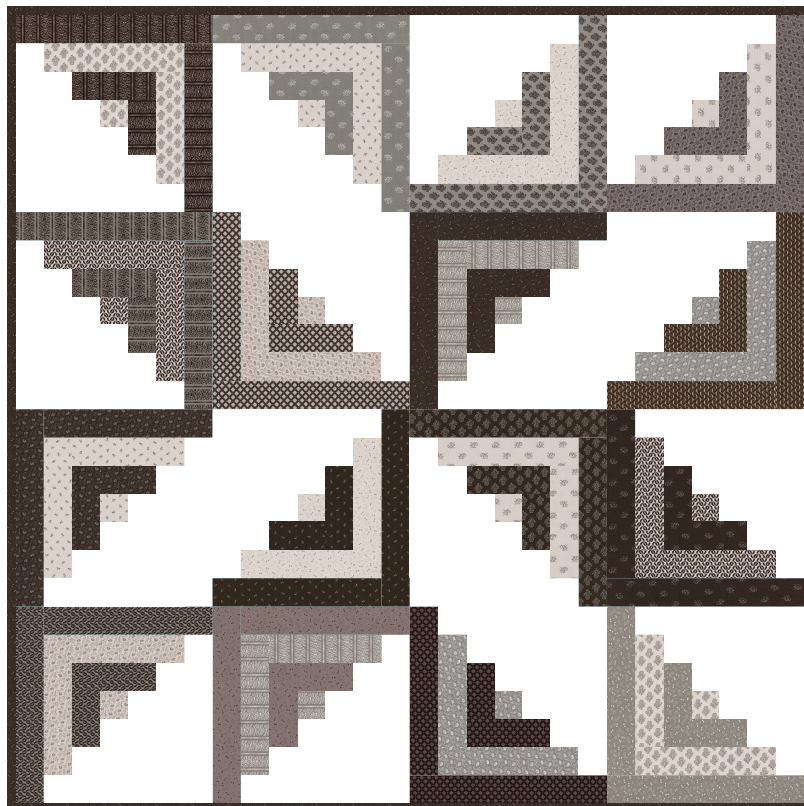

From the print Jelly Roll, select 16 dark strips and 8 medium strips.

Cut from each of 16 dark strips -
(1) Placement 4, 5, 12 and 13
Cut from 8 medium strips -
(2) Placement 1, 8 and 9

From the solid Jelly Roll, select 17 strips.

Cut from each of 16 solid strips -
(1) Placement 3, 6, 7, 10 and 11
Cut from 1 solid strip -
(16) Placement 2

Assemble 16 blocks according to the instructions, using one medium and one dark print per block.

Finished size: 48 1/2" x 48 1/2"

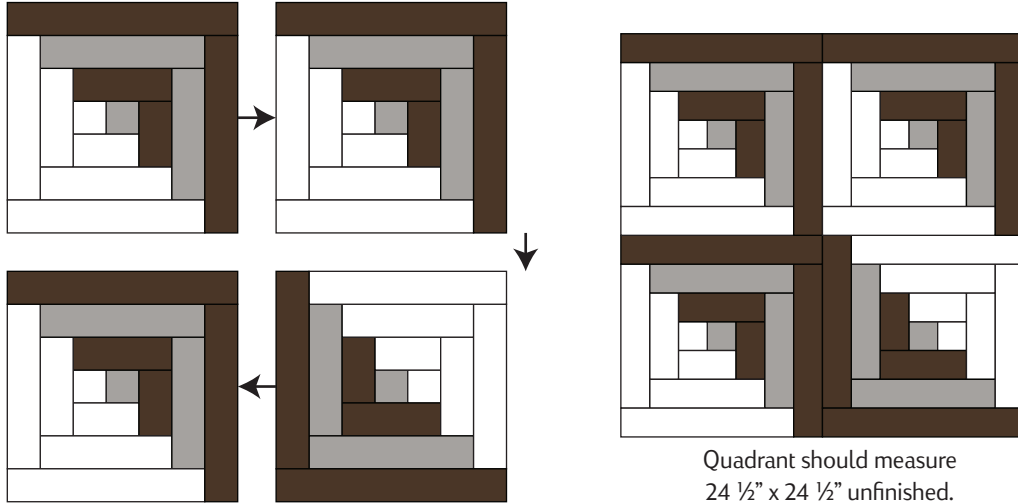

JELLY CABIN Fever

Quilt Layout Option

Assemble four blocks as shown. Repeat three times to make four quadrants.

Assembly:
