Fat Quarter Cutting Diagram:

Use 1/4" seams and press as arrows indicate throughout.

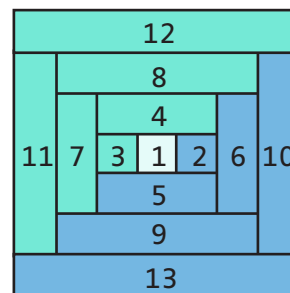

Blocks:

To create the diagonal fabric placement used in the quilt, make each Courthouse Steps Block using two different solids. Follow the instructions on the Courthouse Steps Foundation Paper to construct the blocks, but disregard the instructions for Dark and Light placements.

Use the same fabric for Placement 1 in all blocks. Use matching fabric for Placements 2, 5, 6, 9, 10 and 13 and different matching fabric for Placements 3, 4, 7, 8, 11 and 12.

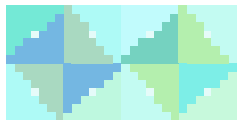

Create your own color combinations or you can refer to the image on page 3 for the combinations we used to make each block.

Mint Inspired Block should measure 6 1/2" x 6 1/2".

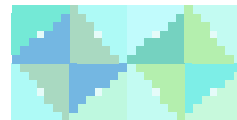

Make 39.
You will not use three blocks.
Save for a pieced backing or
pillows!
