FINISHED QUILT SIZE 62" × 62"

Please read all instructions before beginning this project.
Yardage calculated using a 42" usable width of fabric.
Pattern designed by The RBD Designers.

GENERAL INSTRUCTIONS

Please check www.rileyblakedesigns.com/pattern-updates or scan the QR Code for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric. It is not recommended to prewash fabric before cutting and assembling.

Always verify your panel size before beginning. If your panel measurements differ from those given in the pattern, trim to the desired size or use coping strips to alter the size of your panel. If coping strips are needed, add oversized, coordinating strips of fabric to the necessary edges of the panel, then trim to the size specified in the pattern.

WOF = Width of Fabric
RST = Right Sides Together

SEWING TECHNIQUES

Sew all seams RST and with a $\frac{1}{4}$ " seam allowance unless stated otherwise. Refer to the quilt layout diagram for placement of the prints. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes.

QUILT ASSEMBLY

1. Arrange (13) Panel squares and (12) **E**-squares as shown below, alternating squares and rotating **E**-squares so the stripes run vertically. Sew pieces together into rows. Next, sew the rows together to make the quilt center.
