## SEWING TECHNIQUES

Sew all seams RST and with a 1/4" seam allowance unless stated otherwise. Refer to the Quilt Layout Diagram for placement of the prints. Press seams as desired unless stated otherwise. Dimensions listed in steps are unfinished sizes. Please refer to the following general sewing techniques as these methods are referenced throughout the pattern in their abbreviated form.

### STITCH AND FLIP METHOD (SNF)

Place (2) pieces RST, matching raw edges in the corner to be replaced. Draw a diagonal line on the wrong side of the smaller piece across the corner. Sew on the drawn line. Trim the seam allowance outside the sewn line to 1/4". Flip the smaller piece away from the larger piece and press, replacing the corner. The size of the larger, original piece does not change.

### STITCH AND FLIP FLYING GEESE METHOD (SNF-FG)

Draw a diagonal line, corner to corner, on the wrong side of (2) squares. Place (1) square in a corner of (1) rectangle, RST, matching raw edges in the corner to be replaced. Sew on the drawn line. Trim the seam allowance outside the sewn line to 1/4". Flip the square away from the rectangle and press, replacing the corner. Repeat with the second square in the opposite corner. The size of the original rectangle does not change.
