

This quilt uses fabrics from Jera Brandvig's 5th collection called Madame Fleur. Bloomfield quilt showcases all 36 prints from this collection making for a warm and rich palette with elegant blooms, perfect to cozy up any room!

Bloomfield Fabric Requirements
(quilt size 70" x 81")

1/2 yard

1/2 yard

1/2 yard

1/2 yard

1/2 yard

1/2 yard

1/2 yard

28 assorted fat eighth (9" x 22")
Madame Fleur prints
in small to medium scale.

1/2 yard Binding

705901-30*

Backing
is your choice!

5 yards Backing

*These fabrics have gold metallic shimmer!

Sew with right sides facing together using a 1/4" seam allowance . WOF = width of fabric (along the 44" length)

Cutting Instructions

1. From each fat eighth (you should have 28 different small-medium scale prints/colors from Madame Fleur collection), cut three (3) 7"x7" squares from each. Next, pair the colors to make a total of 14 pairs (i.e. each pair should have 6 squares, see example below).

2. From your seven 1/2 yard floral prints, cut twelve (12) 6.25"x6.25" squares from each.

3. From your binding fabric, cut eight (8) 2 1/2" strips x WOF. Set aside for when you're ready to bind.

Block Assembly Instructions

1. For each pair of 7"x7" squares, do the following:

(Step A) Take one of each color and align them with right sides facing together. On the back, mark two diagonal lines from corner to corner as shown by the solid line.

(Step B) Cut directly on the diagonal lines you previously marked. This will give you a total of 8 triangles (4 of each color).

(Step C) Rearrange the 8 triangles as shown, and then sew them together. Repeat with the remaining 4 squares in the pair for a total of 6.

>> Repeat for all 14 pairs of colors. This will yield 84 total of these blocks.

For each pair, make a total of 6

Quilt Assembly Instructions

Now for the fun part! =) Take all 84 of the blocks you made, plus all 84 of the main floral squares you cut and arrange them in a 12 x 14 formation (12 squares in each row x 14 rows). Make sure you alternate the blocks and squares as shown below.

Then, sew all the squares within each row together. Press the seams in each row in alternating directions so that the seams nest when you align the rows. Lastly, sew the rows together.

Finish it!

Take your backing fabric and cut in half to form two large rectangles that measure approximately 42"/44" x 90". Trim the selvages and then sew along the 90" length to create one big backing piece.

Baste and quilt how you please and then bind! You can find an easy binding tutorial on my blog (link below) under the "Tutorials" link.

Lastly, don't forget to share your project with me on facebook or instagram @QuiltingintheRain, or hashtag #bloomfieldquilt. Thank you sew much! -Jera Brandvig (blog: www.QuiltingintheRain.com)
