**WILD GOOSE CHASE**

Designed by Robert Kaufman Fabrics  
Featuring [Wild & Free](https://www.robertkaufman.com)

Finished quilt measures: 50" x 60"

For questions about this pattern, please email Patterns@RobertKaufman.com.
### Fabric and Supplies Needed

*Fabric amounts based on yardage that is 42" wide.*

*Also used for Fabric M*

---

You will also need:
3-1/4 yards for backing
Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4” unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42” wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

**From Fabric A, cut:**

one 60-1/2” x **length of fabric** piece. From this, cut:
- one 10-1/2” x 60-1/2” piece for the left panel
- one 20-1/2” x 60-1/2” piece for the right panel

From the remainder of the length of fabric piece, cut:
- two 5-1/2” x LOF strips. Subcut these to yield a total of:
  - twenty 5-1/2” squares for the flying geese

From the remaining yardage, cut:
- four 5-1/2” x WOF strips. Subcut:
  - twenty-eight 5-1/2” squares for the flying geese, for a total of forty-eight

**From Fabrics B-M, cut a total of:**

- twenty-four 5-1/2” x 10-1/2” rectangles for the flying geese

TIP: Cut 5-1/2” x WOF strips, then subcut 5-1/2” x 10-1/2” rectangles.

**From the Binding Fabric, cut:**

- six 2-1/2” x WOF strips

Assemble the Blocks

**Step 1:** Place a 5-1/2” Fabric A square RST at one end of a Fabric B rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4” seam allowance. Press toward the triangle.

Note: To avoid having a directional fabric be upside down in the final quilt, decide where the directional prints will be placed and sew the flying geese unit in the appropriate direction.
Step 2: Repeat Step 1 at the remaining end of the rectangle. The resulting flying geese block should measure 5-1/2" x 10-1/2".

Step 3: Repeat with all remaining 5-1/2" x 10-1/2" rectangles to create twenty-four flying geese blocks.

Assemble the Quilt

Step 4: Arrange twelve flying geese blocks to form a column, making sure that all flying geese blocks point up. Arrange the twelve remaining flying geese to form a second column, this time pointing down. Move and swap the blocks until you have a pleasing arrangement of fabrics, color and value.

Step 5: Sew each column together, pressing seams up in the left column and down in the right column.

Step 6: Sew the two columns together, nesting the seams and pressing the seam open.

Step 7: Sew the 10-1/2" x 60-1/2" Fabric A panel to the left edge of the flying geese unit. Sew the 20-1/2" x 60-1/2" Fabric A panel to the right edge of the flying geese unit. Press the seams toward the Fabric A panels.

Your quilt top is complete! Baste, quilt, bind and enjoy!
