

# Hexagon Twinkle

## TABLE RUNNER

This pattern is designed to work with the ruler instructions that come with the Creative Grids 60 Degree Diamond Mini Ruler.

### FABRIC REQUIREMENTS & CUTTING INSTRUCTIONS

(3) 2½ x 42" strips for binding.

(2) 2½" x 42" strips of gold, cut into (42) 2½" triangles

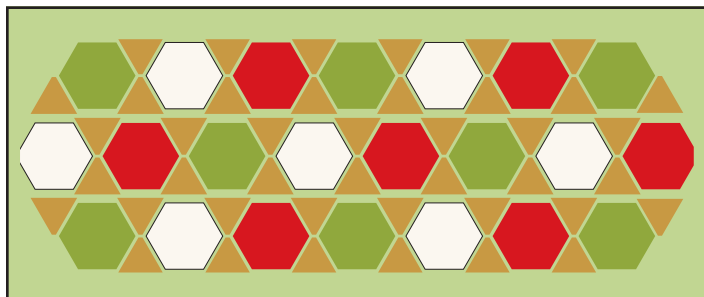

*(follow the cutting instructions for triangles found in the ruler instruction pamphlet)*

(1) 4½" x 42" strip of both the white and red colors, cut into (7) 4½" hexagons each.

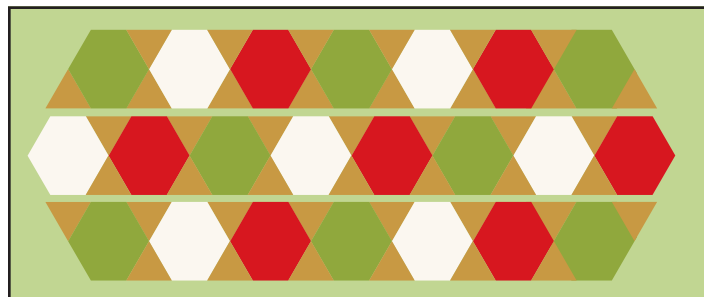

(2) 4½" x 42" strip of green color, cut into (8) 4½" hexagons.

*(follow the cutting instructions for the 4½" hexagons found in the ruler instruction pamphlet)*

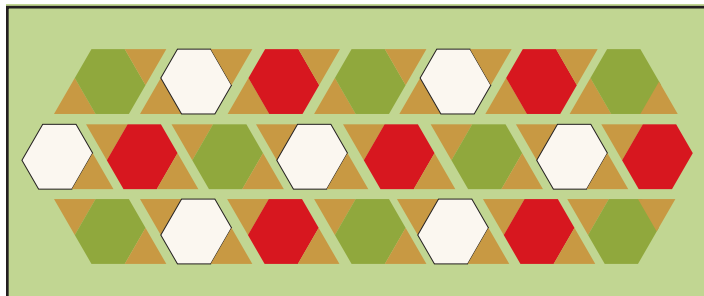

### ASSEMBLY INSTRUCTIONS

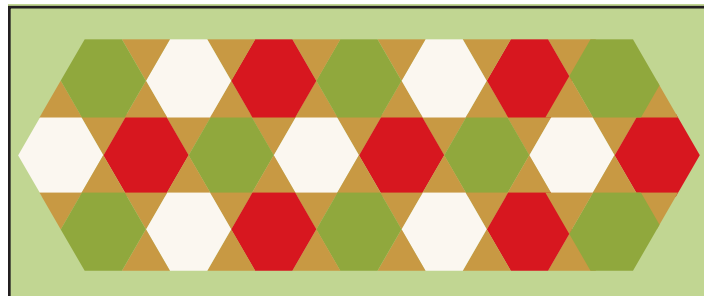

**1.** Arrange all the hexagons and triangles as shown, these will be sewn together into rows.

**3.** Sew the hexagon/triangle units together into three rows pressing the seams open between the units.

**2.** Sew one triangle to each side of the hexagons to make larger units. Most of these will be diamond looking units until you get to the units on each end. Use the flat tips on the triangles to help line up your pieces as you sew. Press these seams open.

**4.** Sew the rows together pressing the final seams open.

**5.** Quilt and bind as desired.
