Inspiration

One of my favorite things to do is a Garden tour. I have been all around the world and have visited many different gardens along the way. How each garden is set up is so wonderful and truly inspiring if you love flowers. It's also very fun to be at a park and find a hidden gem of a garden, it's magical. I can't wait to see your Garden Path quilt. Be sure to share at my Facebook community 'Quilt Along with Pat Sloan' and watch my YouTube channel with daily videos.
