Suggested Tool

6-1/2" Easy Angle or 6-1/2" Half Square Triangle from EZ Quilting

*NOTE: If not using the tool, cut 5-1/3" and 3-1/8" squares respectively, cut once on the diagonal for triangles.

Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From Fabric A:

Using 1-2 strands of Aurifil floss, embroider the flower blocks, matching the printed colors. Press on a fluffy towel, embroidery side down. Trim to exactly 9-1/2" square.

From Fabric B, cut:

six 5" x WOF strips. Subcut:
seventy-two 5" Easy Angle triangles*
eleven 2-3/4" x WOF strips. Subcut:
ninety 2-3/4" Easy Angle triangles*
ninety 2-3/4" squares

From Fabric C, cut:

twelve 2-3/4" x WOF strips. Subcut:

twenty-four 2-3/4" x 18-1/2" block sashing strips

From Fabric D, cut:

eight 2-3/4" x WOF strips. Subcut:

twelve 2-3/4" x 18-1/2" block sashing strips

twenty 2-3/4" squares

From each of Fabric E-S, cut:

one 5" x 21" strips. Subcut:

five 5" Easy Angle triangles*

two 2-3/4" x 21" strips. Subcut:

six 2-3/4" Easy Angle triangles*

ten 2-3/4" squares for sashing stars

For the Binding Fabric, cut:

a total of eighteen 2-1/4" x 21" strips from the scraps of Fabrics E-S.

Sew together, end-to-end, to form the binding.

**TIP: Layer the background strips and the print strips right sides together and cut with the tool. They will then be ready to chain-sew.*

Assembling the Units

Step 1 Sew all the small and large triangle-squares together, using one triangle from Fabrics E-S and one triangle from Fabric B. Press half the large triangle-squares to the print and half to the light. Press all the small triangles to the print. At this point the squares should measure 5" and 2-3/4" square.

Step 2 Using the 2-3/4" Fabric B squares and the small triangle-squares, sew together as shown. Press toward the light square. Make seventy-four. Save the remaining triangle squares for the center block.

Step 3 Sew two of the Step 2 units together to make a four-patch. Press. At this point the unit should measure 5" square. Make thirty-seven four-patches.

Step 4 Sew two different print 5" triangle-squares together as shown. Press the seams open. Make thirty-six units.

Assembling the Blocks

Step 1 Sew the Step 4 units to the top and bottom of an embroidered block. Press toward the center.

Step 2 Sew the four-patches to the ends of two more Step 4 units for the sides of the block. Press as shown.

Step 3 Sew the Step 1 and 2 units together to make a block. Press. Make a total of eight blocks. At this point the blocks should measure 18-1/2" square.

Step 4 For the center block, place the last four-patch in the center and arrange eight small triangle squares and four Fabric B squares around it to form a star block as shown. Press as shown.

Step 5 Assemble the center block the same way as the other large blocks.

Sashing

Step 1 Mark a diagonal line on the wrong side of each of the small squares. Place a small square on the end of a Fabric C sashing strip. Sew exactly as shown. Trim to a 1/4" seam. Press toward the print triangle. Repeat for all the Fabric C sashing strips, both ends.

Step 2 Place a second print triangle over the end of the sashing and sew on the diagonal exactly as shown. Trim to 1/4" and press toward the triangle. Repeat to make a total of twenty-four sashes.

Step 3 Arrange the blocks in three rows of three. Place sashing strips between each of the blocks in a row and at both ends of the row. Sew the sashing strips and blocks together in three rows. Press toward the sashing.

Step 4 Using four of the print squares and three of the sashings, sew the sashing rows together as shown. Make four. Press toward the sashing strips.

Step 5 Sew the block rows and the sashing rows together. Press toward the sashing.

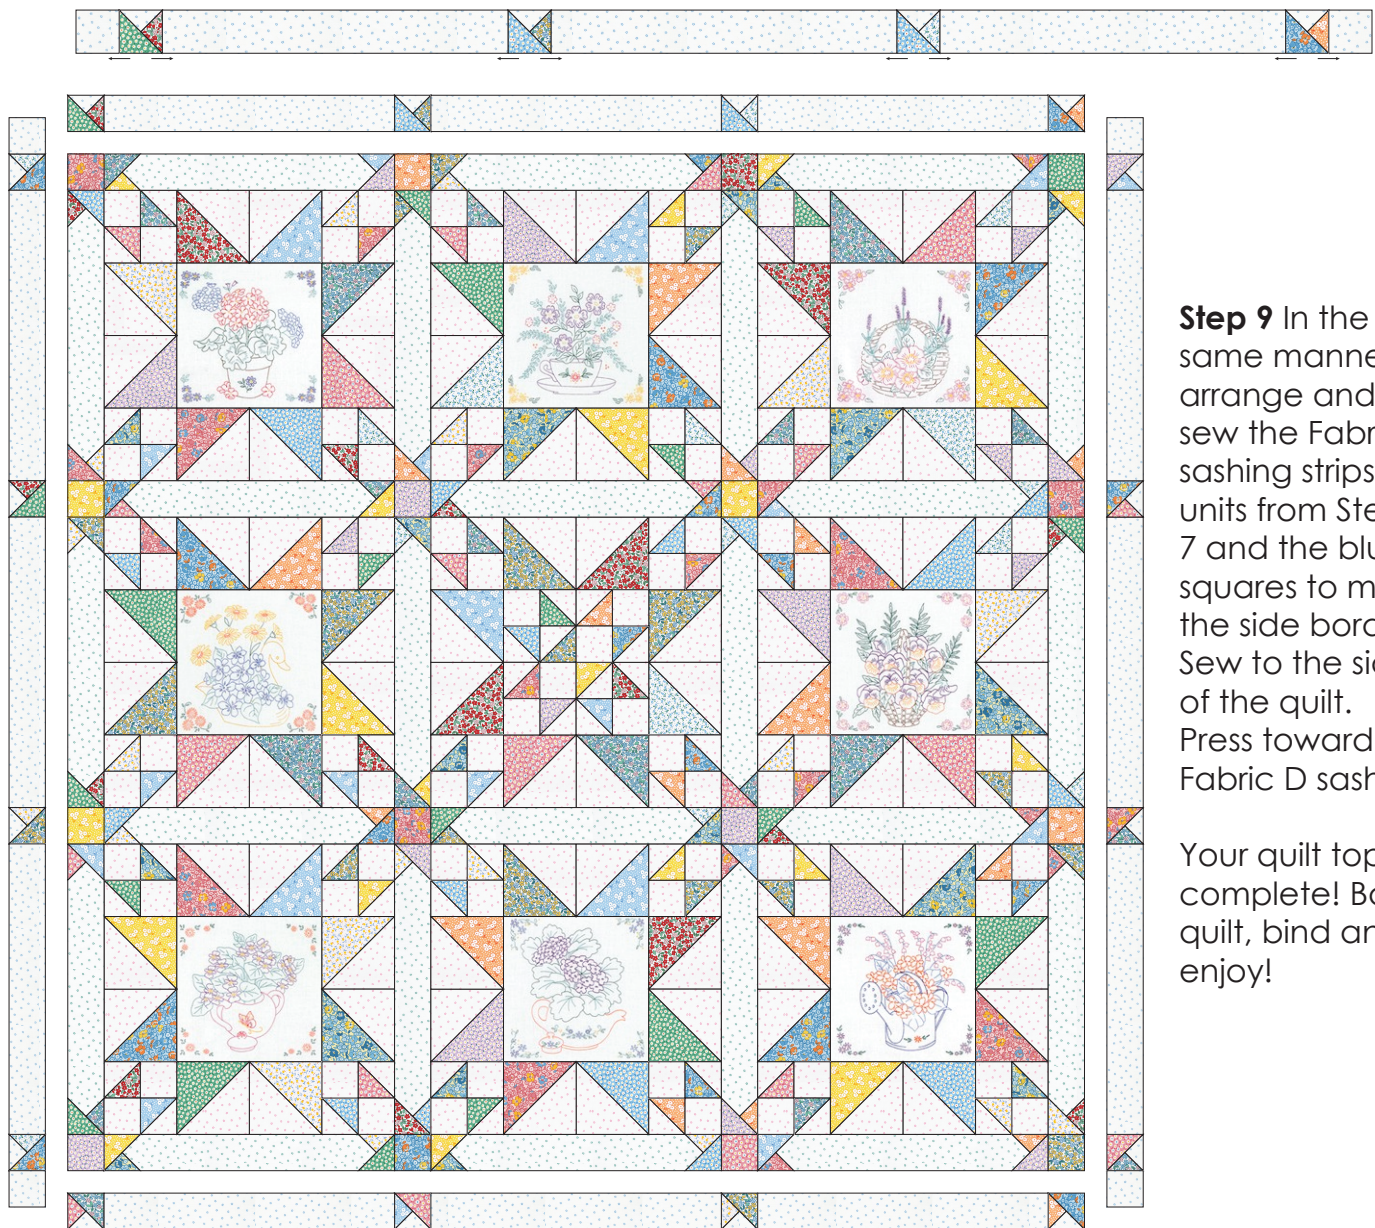

Step 6 Place a Fabric D square and a print square right sides together and sew on the diagonal. Trim the seam allowance to 1/4" and press toward the print triangle. The unit should measure 2-1/2" square. Make sixteen.

Step 7 Place a second print square on top of the square from Step 6. Sew on the diagonal. Open the unit so it looks like the illustration below. Trim away the seam allowance and press toward the print triangle. Make sixteen.

Step 8 Arrange and sew together the Fabric D sashing strips and the units from Step 7 along the top and bottom of the quilt, finishing out the stars in the border. Sew to the top and bottom of the quilt. Press toward the Fabric D sashing strips.

Step 9 In the same manner, arrange and sew the Fabric D sashing strips, the units from Step 7 and the blue squares to make the side borders. Sew to the sides of the quilt. Press toward the Fabric D sashing.

Your quilt top is complete! Baste, quilt, bind and enjoy!
