## QUILT ASSEMBLY

Refer to the cutting requirements list, quilt photo and layout diagrams for the placement of prints and block construction. Press seam allowances open unless otherwise stated.

### Stitch-N-Flip Corners (SNF)

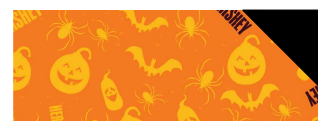

1. Draw a pencil or chalk line diagonally on back of the smaller contrasting piece.

2. Position it on the desired corner. Sew on the drawn line. Trim  $\frac{1}{4}"$  away from the stitching.

3. Flip the triangle open and press. The corner is replaced.

## Ghost Blocks (G)

Using the SNF technique, replace the 2 top corners of rectangle Gb with C squares.

Using the SNF technique, replace the top 2 corners of rectangle K with Gf squares. Make 4 for the bottom row. Each unit measures  $2\frac{1}{2}'' \times 1\frac{1}{2}''$ .

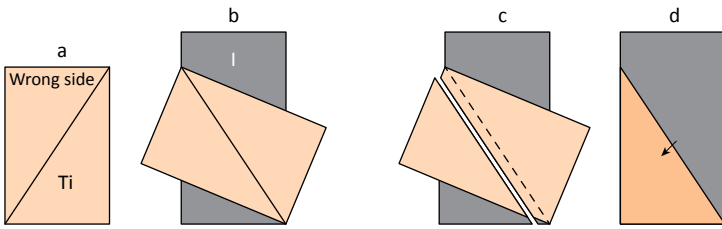

Lay out the pieces of the block. Sew pieces together to complete rows first. Sew rows together and add Black strip J to the top. The Ghost Block now measures 8½" x 13½". Make 3 Ghost Blocks.

### Tall Pumpkin Blocks (T)

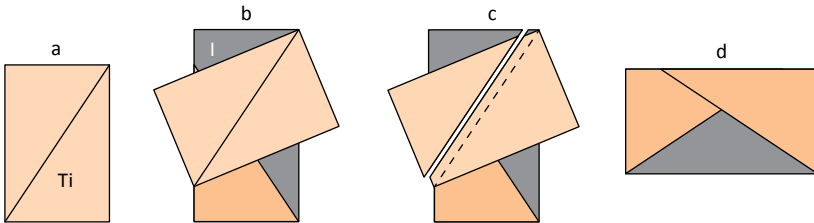

Using the SNF technique, prepare the eyes (Te + B), nose (Th + A), sides of the mouth (Tf + B) and 4 corners (Ta + C and Tb + C) of the Tall Pumpkin as shown.

- *The next 6 steps are a modified version of the SNF technique.*
- Orient the cut pieces following the pertinent illustrations while constructing the blocks. Doing so is essential to following positional terms such as top, bottom, left side, right side and so on.

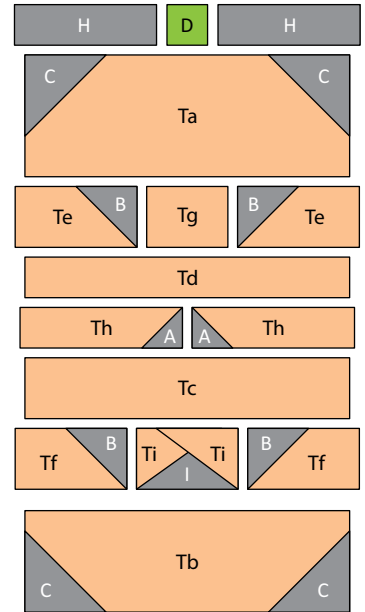

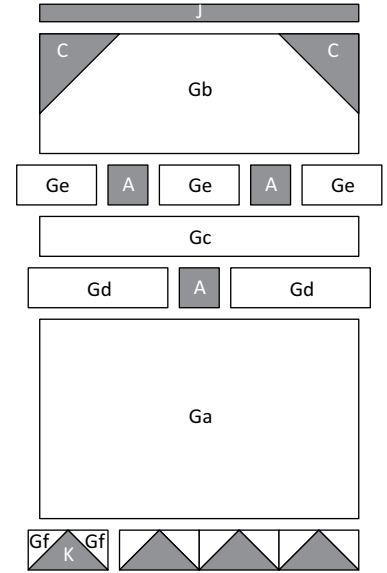

1. Draw a diagonal line on the wrong side of rectangle Ti from upper right to lower left (a).
2. Right sides together, position one end of the drawn line on rectangle I's lower right corner. Swivel the other end of the drawn line to the left side of rectangle I (b).
3. Sew on the drawn line. Trim seam allowance below the stitched line  $\frac{1}{4}$ " (c).
4. Open the triangle and press (d).

5. Repeat Steps 1 & 2 using a second Ti rectangle. This time, draw the diagonal line from upper left to lower right (a). Position the drawn line on rectangle I's upper right corner and swivel again to the left side of rectangle I (b).

6. Repeat Steps 3 & 4—this time trimming *above* the stitched line—to complete the Pumpkin's mouth (c & d) 2" x 3".

# Celebrate with Hershey

Lay out the pieces of the block. Sew pieces together to complete rows first.

Sew rows together. The Tall Pumpkin Block now measures  $8\frac{1}{2}" \times 13\frac{1}{2}"$ . Make 3 Tall Pumpkins.

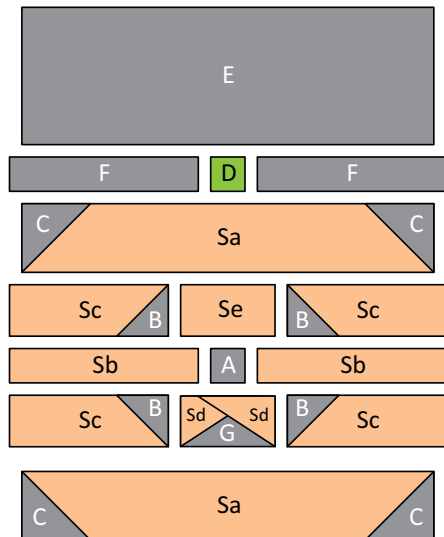

## Short Pumpkin Blocks (S)

Using the SNF technique, prepare the eyes and sides of mouth (SC + B), and 4 corners (Sa + C) of the Short Pumpkin.

Follow Tall Pumpkin Blocks— the modified SNF technique— Steps 1 – 6 to make the Small Pumpkin mouth, using rectangles G & Sd ( $2 \times 3\frac{1}{4}"$ ).

Lay out the pieces of the block. Sew pieces together to complete rows first.

Sew rows together and add Black rectangle E to the top. The Small Pumpkin Block now measures  $12\frac{1}{2}" \times 13\frac{1}{2}"$ . Make 3 Small Pumpkins.

## Quilt Center Assembly

Layout the 9 blocks in 3 rows of 3 blocks each. Follow the quilt layout diagram for placement. Sew 2 vertical sashing strips  $2\frac{1}{2}" \times 13\frac{1}{2}"$  between blocks in each row.

Sew the horizontal sashing strips  $1\frac{1}{2}" \times 32\frac{1}{2}"$  between the rows. The quilt center now measures  $32\frac{1}{2}" \times 41\frac{1}{2}"$ .

## Inner Border

Sew  $2\frac{1}{2}" \times 41\frac{1}{2}"$  borders to each side.

Add borders  $2\frac{1}{2}" \times 36\frac{1}{2}"$  to the top and bottom.

The quilt now measures  $36\frac{1}{2}" \times 45\frac{1}{2}"$ .

## Patchwork Border

Sew together 10 trimmed Stacker rectangles end-to-end to make a side border. Make 2 and sew 1 to each side.

Sew together 9 trimmed Stacker rectangles end-to-end for a top border. Repeat to make a bottom border. Sew these to the quilt top and bottom. The quilt now measures  $41" \times 50"$ .

## Outer Border

Sew together the 5 border strips  $4" \times \text{WOF}$  end-to-end.

Cut 2 borders 50" long and sew 1 to each side.

Cut 2 borders 48" long and sew 1 to the top and bottom. The quilt now measures  $48" \times 57"$ .

## Finishing

Finish quilt by layering the quilt top, batting, and back. Bind with  $2\frac{1}{2}"$  Black Pumpkins strips.

Have fun and enjoy the journey of making your quilt.
