Cut 2 strips 2" x WOF.

Sub-cut from strips:

32 - 2" squares (D)

TABLE RUNNER ASSEMBLY

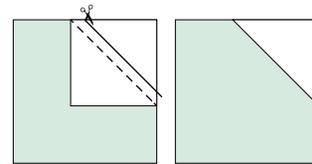

Refer to the table runner photo and layout for the placement of prints.

General Instructions

All angled pieces are constructed using the sew and flip method. This method is described below and referenced throughout the pattern.

Sew and Flip Method

Place the 2 pieces right sides together matching the raw edges in one corner. Draw a diagonal line on the wrong side of the top piece across the corner. Sew on the drawn line. Trim the seam allowance above the sewn line to $\frac{1}{4}$ ". Flip the top piece away from the bottom piece and press.

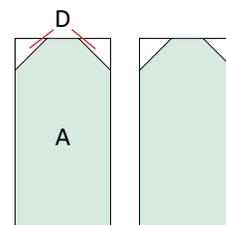

Heart Blocks (Make 8)

Press the seam allowances open.

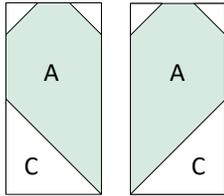

Select 2 A rectangles of the same color, 2 B squares of different colors, 2 C squares and 4 D squares.

Using the sew and flip method described in the general instructions, sew D squares to the upper corners of the A rectangles.

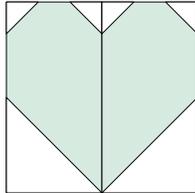

CANDY HEARTS TABLE RUNNER

Repeat to sew a C square to the lower left corner of the first A rectangle and the lower right corner of the second A rectangle.

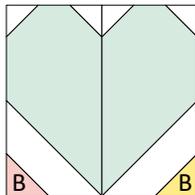

Sew the A rectangles together to make a Heart (9½" x 9½").

Heart

Using the sew and flip method, sew the B squares to the lower corners of the Heart to complete 1 Heart Block (9½" x 9½").

Heart Block

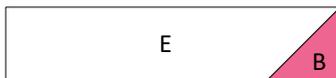

Repeat to make 8 Heart Blocks.

End Strip (Make 2)

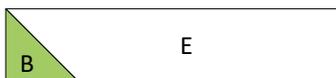

Press the seam allowances open.

Select 2 B squares of different colors and 2 E rectangles.

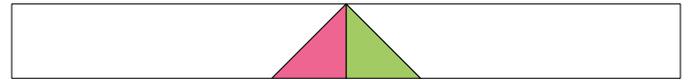

Using the sew and flip method, sew a B square to the lower right corner of 1 E rectangle.

Repeat to sew a B square to the lower left corner of the remaining E rectangle.

Sew the E rectangles together to complete 1 End Strip (2½" x 18½").

End Strip

Repeat to make 2 End Strips.

Table Runner Center

Sew the 8 Heart Blocks together into 2 Rows of 4 Blocks, as shown in the Table Runner Layout Diagram. Press the seam allowances in opposite directions.

Sew the Rows together. Press the seam allowance open.

Sew an End Strip to the side edges of the Hearts to complete the Table Runner Center (18½" x 40½"). Press the seam allowance open.

Borders

Seam allowances vary so measure through the center of the table runner before cutting border pieces.

Sew top and bottom borders (longest side) to the Table Runner Center first. Press seams towards borders.

Top and Bottom borders should be 3½" x 40½". Side borders should be 2½" x 24½".

Finish table runner by layering the table runner top, batting, and back. Bind with the Sweet Mint Texture strips. Have fun with your colors and enjoy the journey of making your table runner.
