QUILT ASSEMBLY

- Refer to the cutting requirements list, cover image and quilt layout diagram for the placement of prints.
- Except for the Heart sets, organize the pieces alphabetically. The instructions will call for pieces in alphabetical order.
- Follow pressing arrows for successful piecing.
- Orient the pieces according to their pertinent diagrams. Doing so is essential to following relational instructions such as top, bottom, left, right and so on.
- All angled seams are constructed using the Stitch & Flip method. The method is explained next and referenced in the pattern.

Stitch & Flip Method

- Place a square right sides together on top of a base square or rectangle, matching raw edges in one corner.
- Draw a diagonal line on the wrong side of the square across the corner to be replaced.
- Stitch on the drawn line. Trim off the corner $\frac{1}{4}$ " from the stitched line.
- Flip the square away from the base replacing the corner with a triangle. The size of the base has not changed.

Heart Block

- Using the Stitch & Flip method, 1 Heart set and background pieces, replace the upper right corner of rectangle A with a $4\frac{1}{2}$ " B square to make the Right Heart Unit (a).
- Repeat Step 1 replacing the upper left corner to make the Left Heart Unit (b).

- Sew the Right & Left Heart Units together ($8\frac{1}{2}$ " \times 5"). Sew matching rectangle C to the top to make the Heart Bottom ($8\frac{1}{2}$ " \times 6 $\frac{1}{2}$ ").

- Using the Stitch & Flip method, replace the top 2 corners of rectangle D with $2\frac{1}{2}$ " E squares to make a Flying Geese Unit. Make 2.

- Sew the Flying Geese Units together side-to-side to make the Heart Top ($8\frac{1}{2}$ " \times 2 $\frac{1}{2}$ ").

- Sew the Heart Top to the Heart Bottom to complete the Heart Block ($8\frac{1}{2}$ " \times 9"). Make 12 Heart Blocks.

Cherry Block

- Using the Stitch & Flip method, replace all 4 corners of 26 F squares with $1\frac{1}{2}$ " G squares to make Cherries.

- Sew 2 Cherries together side-to-side to make the Cherry Row ($8\frac{1}{2}$ " \times 4 $\frac{1}{2}$ "). Make 13.

- Using the Stitch & Flip method, replace the lower right corner of 13 H rectangles with a $2\frac{1}{2}$ " I square to make a Left Stem Unit (a). Repeat, replacing the lower left corner of another 13 H rectangles to make a Right Stem Unit (b).

- Using the Stitch & Flip method, replace the lower right corner of the Left Stem Unit with a J square. Make 13. Repeat with the Right Stem Units replacing the lower left corner. Make 13.

- Sew a Left & Right Stem Unit together as shown to complete the Stem Row ($8\frac{1}{2}$ " \times 2 $\frac{1}{2}$ "). Make 13.

- Using the Stitch & Flip method, replace opposing corners of the 3" K squares with $1\frac{3}{4}$ " L squares to make Leaf Units. Make 26.

MON CHERI

- Sew 2 Leaf Units in different colorways together as shown with the lighter green on the right. Sew an M rectangle to each end to make a Leaf Row ($8\frac{1}{2}" \times 3"$). Make 13.

Leaf Row

- Sew the Rows together top to bottom: Leaf Row + Stem Row + Cherry Row, to complete the Cherry Block ($8\frac{1}{2}" \times 9"$).

Cherry Block

Quilt Center

Refer to the Quilt Layout Diagram and cover art for placement details.

- Sew 3 Cherry Blocks and 2 Heart Blocks together side-to-side, alternating positions and adding 4 sashing strips in between to make an Odd Row ($44\frac{1}{2}" \times 9"$). Make 3.

Odd Row

- Repeat Step 1 using 3 Heart Blocks and 2 Cherry Blocks with 4 sashing strips to make an Even Row ($44\frac{1}{2}" \times 9"$). Make 2.

Even Row

- Sew 5 White Triangles $1\frac{1}{2}"$ strips together, end-to-end. Cut 4 strips, each $44\frac{1}{2}"$ in length, from the long strip to make Horizontal sashing strips.

- Sew the Odd and Even Rows together top to bottom, alternating positions and adding Horizontal sashing strips in between to complete the quilt center ($44\frac{1}{2}" \times 47"$).

Inner Border

- Sew 5 White Triangles $1\frac{1}{2}"$ strips together, end-to-end. Cut 2 strips, 47" long, and sew 1 to each side of the quilt center.
- Cut 2 more strips, $46\frac{1}{2}"$ long, and sew 1 to the top, the other to the bottom of the quilt center ($46\frac{1}{2}" \times 49"$).

Outer Border

- Sew the 5 Raspberry Main strips together end-to-end. (Use 6 strips if piecing with a diagonal seam.) Cut 2 strips 49" in length and sew 1 to each side of the quilt.
- Cut 2 strips $54\frac{1}{2}"$ in length and sew 1 to the top, the other to the bottom of the quilt. Quilt now measures $54\frac{1}{2}" \times 57"$.

FINISHING

Finish your quilt by layering the quilt top, batting, and back. Quilt as desired. Bind with $2\frac{1}{2}"$ Lake Triangles strips.

Have fun and enjoy the journey of making your quilt!
