

Fat Quarter Shop's *Solid* Club 2023

Sandpiper Cutting Guide

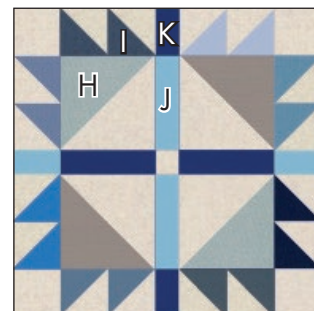

Finished size: 53 1/2" x 68 1/2"

Our Sandpiper Quilt is made with all of the fat quarters in the Solid Fat Quarter Club for 2023.

We based our quilt on the Lap size quilt from the Sandpiper pattern by It's Sew Emma.

Each month, make 1 Sandpiper Block from the 12 fabrics in your bundle. You will need to purchase background and binding fabric separately. We used E064-1143 for the background and 9634-C for the binding.

What to cut for one block:

Use 2 Fat Quarters	1 - 5" square from each FQ (2 total)	H
Use 8 Fat Quarters	1 - 3" square from each FQ (8 total)	I
Use 2 Fat Quarters	2 - 1 1/2" x 4 1/2" rectangles from each FQ (4 total)	J
	2 - 1 1/2" x 2 1/2" rectangles from each FQ (4 total)	K

This quilt will only use a small part of each Fat Quarter. Use the rest of the fabric for other projects or just add to your stash!
