### CUTTING REQUIREMENTS

- Please read instructions before cutting fabrics.
- Cutting Instructions are based on a 42" WOF.
- Refer to the quilt photo for the placement of each of the fabrics.
- Use a straight edge ruler and rotary cutter to cut your fabrics.
- Actual panel measurements may vary from digital panel measurements. Therefore, trimming instructions are provided for the panel and all borders to ensure accuracy. Follow trimming instructions carefully. Accurate measuring techniques are key.

### Panel

Trim excess fabric from the panel by measuring a  $\frac{1}{4}$ " **outside** of the outermost color illustrations for the seam allowance. Cut away excess background fabric from the panel. Panel should measure approx.  $35\frac{1}{2}$ " x  $42\frac{1}{2}$ " unfinished.

### Border Pieces

Piece strips longer than WOF by joining strips on short ends. Use excess from strips to make subcut strips.
