Assembly:

Borders: (See diagram on page 7 before cutting.)

First cut four 3 1/2" x WOF (width of fabric) Fabric F strips for top and bottom borders.

Then cut two 3 1/2" x LOF (length of fabric) Fabric G strips for side borders. You must cut across the length, not the width, since this fabric is directional.

.....
Sew all four Fabric F strips together end to end, piecing diagonally.

.....
Subcut Fabric F into two 3 1/2" x 66 1/2" strips for the top and bottom borders.

Trim Fabric G strips to 3 1/2" x 60 1/2" for the side borders.

.....
Sew the Fabric G side borders to the sides of the quilt. Press toward border.

Sew the Fabric F top and bottom borders to the top and bottom of the quilt. Press toward border.

Finishing:

Quilt and bind as desired.
